TRAVEL RIDER RIVERS EDGE

Travel party: 4-6 Pers.

The event-organizer has to provide food and beverages for the whole travel party including Road crew (max. 6 pers. incl. band)

If possible, we'd love to have:

1x Bottle Jameson

1x Bottle Havanna Rum

1x Bottle Pepsi

Energy Drinks (Monster)

If the event gets rescheduled or cancelled, Rivers Edge is payed the whole salary.

Rescheduling is of course possible, because we would love to play that gig, but we cannot promise that matching dates are available. If so, the contract gets cancelled and the salary payed to the band.

If the band does not show up to the gig, they have to find a replacement for the slot or find financial compensation.

The band has to have access to power-outlets in backstage.

Parking lots must be provided for a Van, a car with trailer or two cars at least.

We are totally hyped and looking forward to your event!
